Got an Itch to Stitch, Knit, or Crochet?
Book a Group Class with Sew4Service

Sew4Service group classes are perfect for organizations wishing to arrange classes for groups of children or adults such as Scouts, homeschoolers, church groups, 4-H and others. We offer a variety of classes taught in our Sewing Studios, and special arrangement can be made to accommodate classes at your meeting location. Classes requiring the use of a sewing machine are **only** held in one of our Sewing Studios. We have Sewing Studios in Euclid, Lakewood, Alliance and Medina.

Our talented teachers bring years of experience working with people of all ages and abilities. Many of our teachers were once Girl Scout Leaders, have lead activities for large groups, are BCI/FBI background checked and VIRTUS trained to teach in Catholic Schools. This wealth of experience and small class sizes ensures a high-quality, hands-on learning environment. We have teachers available in Cuyahoga, Lake, Geauga, Summit, Portage, Medina and Stark Counties.

Class Fees and Size

Each class is designed to be taught by one teacher and is limited to the number of attendees indicated in order to give personal attention to each participant. A minimum of 3 participants are needed to hold a group class.

All classes are 2 hrs long and $25 a person, supplies included. The exception is for Pajama Pants, which is 3 hrs long and $40 a person, supplies included.

How to Schedule a Class

Please contact Lucy Kulbago to arrange for a group class. Email lucy.kulbago@sew4service.org. Please provide your location, number of attendees, age of attendees, preferred class(es) and dates your group is available.

Sew4Service is a registered 501(c)(3) non-profit organization. We are a service-minded community dedicated to creating positive change by enriching lives and protecting the environment through the practice and preservation of textile arts.
